RE: DAIRY & LACTOSE TOLERANCE

Dear Sir / Madam:

This is a 30-day notification of a statement of nutritional support for a dietary supplement. The product name is **Dairy & Lactose Tolerance**. The structure / function claims on all sizes and configurations of this product are identical. They are as follows:

DAIRY & LACTOSE TOLERANCE™ is a mild, all-natural enzyme supplement designed to gently and effectively enhance your body's natural digestion of dairy products and lactose ("milk sugar"). **Dairy & Lactose Tolerance** contains a natural blend of enzymes to help your body break down lactose and avoid the discomfort.

Respectfully Submitted,

Nancy Steely, ND
Director of Research & Development
